

Dear Habibians,

Wouldn't it be great if we are able to somehow connect all Habibians through our platform according to their needs and hobbies? One need that takes precedence over all is the need to have halal earnings to feed, clothe, educate, and fulfill other needs of our children and families.

HPSAA has developed a "Business Directory Network" on its website where Habibians list their companies and promote their products. If you have a business that needs to attract customers list your company on the Business Directory Network for a partly sum of Rs. 5000/= by clicking on the following link:

If you are a customer and want to get the services, get in touch with one of them, maybe you will get a better deal by working with a company owned by a Habibian.

We are striving to connect all Habibians on one platform, we need your help in this regard. You must be in touch with your batch mates through social media, kindly ask them to become a member of the HPSAA by clicking on the following link:

Send us your suggestions and comments. Hope to hear from you soon.

Best Regards,
