

Dear Habibian, Assalam-o-Alaikum.

The HPSAA website, <http://habibianalumni.org/> is fully operational. We will be waiting for your feedback, and suggestions for improvements.

If you have any photographs, stories, news to share please send them to us we will upload them to our website for everyone to enjoy. We are also seeking your help in locating our retired teachers with their contact details for us to get in touch with and offer them our help in their medical needs if they require it. We would also be grateful if you will help us to locate all Habibian Alumni wherever they are in the world to become a member by filling out their details in the form provided on our website. The more we are on one platform the stronger our voice will be.

If you want to donate for the two funds we have established, The Scholarship Fund and The Health Care Fund, please go to the HPSAA website and donate.

Best Regards

---
