Dear Habibian Friends,

The HPSAA maintained communication with you through weekly Friday Notes. Regrettably, unforeseen circumstances led to the suspension of this practice. However, we will ensure its uninterrupted continuation in the future.

The establishment of the HPSAA over half a decade ago was grounded in the purpose of revitalizing connections among Habibians across all graduating classes and with a mission for nation-building and society at large. Furthermore, we hold a steadfast aspiration for an enduring relationship with our alma mater.

Our fellow Habibians, across the board, have achieved remarkable success in diverse global domains. In light of these achievements, HPSAA humbly requests you to share a concise overview of your accomplishments within your professional and societal spheres. Our ongoing endeavor involves meticulously crafting and curating a comprehensive "**Habibians Directory**". This directory will be featured on various digital platforms associated with HPSAA. Once thoughtfully compiled, it will be unveiled to the public, proudly showcasing the collective accomplishments of our distinguished alumni.

We eagerly anticipate and value your invaluable contributions, feedback, and insights.

With heartfelt regards,

**M. Sohail Qureshi,**  
Secretary-General,

Habib Public School Alumni Association
