President HPSAA's Message

Dear Schoolmates,

Here we are at the start of a brand New Year, and may I start with thanking Allah for His mercy and bounty, and a fervent prayer that He keeps us in His Protection, and grants us the choicest of health, wealth and happiness, even as He ease the pain and suffering of the multitudes around the world and in particular Palestine, ameen, summa ameen.

It is my great pleasure and privilege to welcome onboard our new Executive Committee elected for the year 2024, and comprising schoolmates Azhar Rizvi (1977), Abbas Sayeed (1977), Mehtab Haider (1979), Naveed Ahmed Khan (1979)

Rizwan Rajab Ali Moosa (1979), Ameer Mehdi (1979), Abdul Rab (1988) and Billal Hamid (2000). I have been re-elected as well, and am grateful for the vote of confidence as I continue serving in my previous capacity of president.

We have much activity to report in this edition of our Newsletter, and much activity to look forward to in the immediate future as we gear up for our annual Reunion on the 7th of January. Our tireless team led by Zafar Kaleem (Batch of 1970, Honorary Executive Secretary, HPSAA) and comprising Asima Pishori and Osama Waseem, are hard at work to ensure that the Reunion is a grand and memorable event, and I thank them for it. They also successfully brought together Karachi alumni over board games, in particular Ludo, but also Chess and Checkers, and we carry a report on that fun activity.

The HPSAA also facilitated some inter-school and inter-city bonding between HPS in Karachi and the SST School in Tando Allahyar through a joint Boy Scouts camping weekend styled as the Leadership Boot Camp which was an unqualified success and flagged for scaling up in the future.

Thank you for the trust that you have bestowed on your executive committee, and I hope that we have come up to your expectations as we strive to continue doing so in the future, Insha'Allah.
